Hi Matt. Yes, absolutely will share the TPs/desk statement. We've only just began to develop those, as we hear that the CA letter won't go out until first week of June.

Mike – do you have a sense of timing for the CA letter? Do you think they'll send it out next week?

Hi Mike – thanks for the update, appreciate it

Any chance you could share the desk statement/talking points? I know our team would be interested in seeing them, they're tracking this issue

Matt
